

## **CANINE PRO Board & Train Agreement**

This Agreement is entered into by and between DTBT LLC (dog training behavior therapy) d/b/a Canine Pro and \_\_\_\_\_, residing at \_\_\_\_\_

\_\_\_\_\_ (referred to herein as "Owner"). 1. Board & Train Summary. Owner has requested that Canine Pro provide Board and Train services for the Owner's dog (insert dog's name and breed: \_\_\_\_\_)

\_\_\_\_\_). The Owner represents that he/she is the lawful owner of the dog and has the sole right to enter into this Agreement. Canine Pro will work daily with Owner's dog on training items. Board and train focuses on assisting the Owner with various training areas which may include any one or more of the following: (a) beginner and puppy foundation training; (b) leash pressure; (c) off-leash training; (d) behavior modification; (e) dog/human aggression; (f) fear and anxiety; (g) personal protection foundation; (h) eliminating bad habits and behaviors. However, the specific items of what will be focused on during this board and train will be set forth in detail below. This Agreement in no way guarantees or promises that all items discussed by the Owner will be resolved or that all items addressed in the Board and Train will be successful. Canine Pro will, however, discuss with the Owner which training areas will be needed and worked on. By initialing where indicated at the end of this paragraph, the Owner expressly acknowledges that there are no guarantees as to what is accomplished in training since there are so many factors for each dog when it comes to training successes including the length of time the dog is in the board and train program, whether the dog has any prior training, genetics, prior bad experiences, age and health of the dog. \*\*Even more important is the Owner's understanding that continued training **MUST REGULARLY HAPPEN AT HOME BETWEEN DOG AND OWNER** after the Board & Train has been completed. Following the Board & Train, it is the Owner's responsibility to contact Canine Pro to discuss and schedule follow up training sessions, as needed. The specific commands, training style and recommended tools used and recommended by Canine Pro must be carried over in the Owner's training and the Owner acknowledges the importance of this by initialing here: \_\_\_\_\_. Canine Pro personalizes each board and train stay depending on the dog. Depending on the needs of the dog, Owner understands that the dog will enjoy individual attention and, if permitted, dog socialization as well. Initial here, if you specifically do NOT want your dog to participate in any dog socialization: \_\_\_\_\_. Upon the scheduled return of the dog, the Owner will be provided with a one-on-one private training session to ensure that the Owner is educated on the training to date and so the Owner goes home with the proper techniques and knowledge to continue the dog's training success. The Owner acknowledges that following the Board & Train, the dog and Owner may need to schedule additional training sessions to clean up and refresh the training skills specifically worked on during the Board & Train. It is the Owner's responsibility to reach out to Canine Pro and schedule these sessions. The Owner acknowledges that if he/she schedules one of these follow-up sessions, there will be a charge to the Owner for these sessions. Canine Pro acknowledges that a non-refundable \$250.00 deposit was paid by the Owner upon scheduling the Board & Train.

The Owner has chosen the 2 WEEK BOARD & TRAIN at \$2,500 plus NYS TAX\_\_\_\_\_, the 3 WEEK BOARD & TRAIN at \$3,500 plus NYS TAX\_\_\_\_\_, the 4 WEEK BOARD & BOARD & TRAIN at \$4,500 plus NYS TAX\_\_\_\_\_. Full payment for board and train services is required when the dog is picked up or dropped off to begin his or her program.. In addition, the Owner acknowledges that for each day that the dog remains at Canine Pro past the end date shown

above (or any other date mutually agreed upon by Canine Pro), will be an additional \$175.00 per day charge due when the dog is picked up. If agreed to by Canine Pro and the Owner, the Owner may seek additional time at Board & Train. In that event, the Owner will be charged the difference between what he/she has already paid and the additional time. This additional cost will be paid immediately at the time the dog is picked up. All board and train prices are subject to New York State sales tax. Canine Pro accepts cash, check or major credit cards. The Owner acknowledges that there are no refunds. Owner agrees to pay in full for any and all services rendered by Canine Pro and that remaining balances for board and train services must be paid at the time the dog is picked up or dropped off. Owner understands that Canine Pro does not give refunds for services rendered or services purchased and not used. The prices agreed to herein do not include recommended training equipment such as special collars, leashes, e-collars, etc. Should such equipment be recommended, the Owner can purchase them directly from Canine Pro if in stock.. Please again refer to paragraph 1 above and note that payment of the Board & Train program will not be refunded. The Board & Train costs cover the boarding and the trainer's time. It does not cover a guaranteed outcome as there are no guaranteed outcomes. Dog Food & Other Items for the Dog. Owner acknowledges that the dog's food and any needed medication for the duration of the stay is the Owner's responsibility and should be dropped off with the dog. The Owner acknowledges that he/she may also drop off toys, a dog bed or blankets from home to assist in making the dog as comfortable as possible. However, the Owner acknowledges that there is a chance these items can be damaged or lost. As such, the Owner agrees that Canine Pro will not be held responsible or liable for any lost, stolen or damaged personal property belonging to Owner or his or her dog. Owner further acknowledges and agrees that his/her dog will sometimes be socialized with other dogs while at Canine Pro. Like children on a playground, dogs can get scratches, nicks or bites as they interact and play with other dogs. Owner acknowledges that animals are unpredictable and there is possibility of injury to his or her dog, or another dog during such controlled socialized activities. In fact, while the dogs are carefully monitored by Canine Pro staff, to prevent injury, it is still possible that during the course of normal canine play, the Owner's dog may get injured. The Owner, however, agrees that the benefits of socialization outweigh the risks and accepts the risk. Owner agrees to release, indemnify, and hold harmless Canine Pro from any and all manner of damages, claims, loss, liabilities, costs or expenses, including reasonable attorney's fees and related costs, arising out of or related to Canine Pro's services, except which may arise from the gross negligence or intentional and willful misconduct of Canine Pro, including, without limitation, (i) any inaccuracy in any statement made by the Owner or information provided by the Owner to Canine Pro; (ii) the Owner's dog, including but not limited to destruction of property, dog bites, injury, and transmission of disease, and (iii) any action by the Owner which is in breach of the terms and conditions of this agreement. Canine Pro reserves the right to immediately change his or her dog's boarding schedule if Canine Pro believes it is necessary to protect the health and well-being of the Owner's dog, other dogs or Canine Pro staff.

**6. Vaccinations & Documentation.** Owner is aware that kennel cough (a/k/a "Bordetella") is a common problem in facilities where there are groups of dogs that intermingle. All of the dogs at Canine Pro are vaccinated against Bordetella, however there are a number of viruses that can cause the cough and no vaccination will prevent all cases. Owner confirms his/her dog is current on all vaccinations as required by Canine Pro and understands that complete documentation confirming such vaccination requirements including, but not limited to, Bordetella, rabies and distemper vaccinations shall be required prior to entry at the Canine Pro facility. In the event that the Owner does not wish to

have his/her dog vaccinated against Bordetella, the Owner must complete a waiver provided by Canine Pro. There will be no other exceptions regarding the other required vaccinations. 7. Flea & Tick Preventative. Owner confirms his/her dog is free of fleas, ticks, worms and other insects and parasites and that his/her dog is on a flea and tick preventative. Canine Pro reserves the right to reschedule the board and train if it determines, at its sole discretion, that the dog is not free of fleas, ticks, worms or other parasites since this poses significant risks to other dogs and UCA staff. 8. Emergency Care of Dog. Canine Pro will make every attempt to call and contact the Owner and/or Emergency Contact (as previously provided by the Owner) in the event of an emergency situation. The Owner authorizes Canine Pro to take actions they deem reasonably necessary to ensure the health, well-being, and safety of the Owner's dog and to take reasonable action to resolve any medical problems that may arise while the dog is in its care. The Owner agrees to assume full financial responsibility for any and all expenses incurred as a result of Canine Pro's actions. The Owner understands that Canine Pro staff is expected to make a reasonable attempt to contact the Owner and/or the emergency contact before incurring such expenses, that they may need to incur such expenses if they can't reach me, and that an emergency could arise where it would not be feasible for them to contact me before the expense is incurred. In all scenarios, the Owner agrees to take full financial responsibility of the expenses incurred on its dog's behalf. Owner acknowledges that pictures and videos may be taken of the Owner's dog for media, marketing and advertising purposes. Owner agrees to allow Canine Pro to use the Owner's dog's name and any images, in any form or format, for use, at any time, in any form of media, marketing, print or advertising without providing the Owner prior notice or fees for same. 11. Training Techniques Used by Canine Pro. By participating in our board and train program Owner acknowledges and fully understands that Canine Pro will employ training tools and techniques that are used to train and modify the behavior of dogs. Furthermore, Owner is aware that dog training at the Canine Pro can include training tools such as prong collars and e-collars. Owner engages Canine Pro to provide services for his/her dog as is deemed necessary in the sole discretion of Canine Pro. Abandoned Dog. Owner understands and agrees that if his/her dog is not picked up on the scheduled pick up date, in accordance with the law, Canine Pro shall provide the Owner with a notice that requires the dog to be picked up within ten (10) days ("notice period") or the dog shall be deemed to be abandoned. In any event, additional boarding charges as set forth in paragraph "2" above shall apply. In the event that the dog is not picked up within the notice period, Canine Pro shall gain legal custody and ownership of the pet and retain the right to keep the pet, or place the pet in a shelter or with animal control, or place the pet in a new home with a new owner, with no recourse by Owner against Canine Pro or its employees, agents, and affiliates.
